Jonathan Ludlow
Machine Vision Promoter
Microscan Systems Inc.

700 SW 39th Street
Renton, Washington USA
Telephone: +1 (425) 226-5700
Email: jludlow@microscan.com

Jonathan Ludlow's current position is promoter for machine vision products at Microscan Systems Inc.'s northeast technology center in Nashua, New Hampshire. Jonathan held a similar position at Siemens prior to the acquisition by Microscan of the Siemens Machine Vision business. Earlier at RVSI and Acuity Imaging, Jonathan managed solutions engineering, applications engineering and special projects. At another stage, in his over twenty years of solving machine vision problems, Jonathan was responsible for internally developed inspection systems for surface mount assembly at Digital Equipment Corporation. Jonathan holds a Bachelor's degree in mechanical engineering and a Doctorate in acoustical engineering from the University of Southampton in the United Kingdom. He holds several patents relating to machine vision algorithms, lighting and noise control.
