Endre Toth is native to Hungary and has lived in New England since 1986. He graduated with a degree in electrical engineering from the University of Technology in Budapest, Hungary with a thesis in machine vision applications. He was later honored with a research fellow scholarship at the University of Hamburg, Germany. Next, he pursued studies in international management at Phoenix University. During the past 15 years, he has represented Vision Components GmbH in the North American marketplace, taking care of all aspects of the business in the area.
