Mariann Kiraly is a Senior Account Manager for Midwest Optical Systems (MidOpt). Her expertise in optical filtering spans the markets of machine vision, security, and bio-medical fields. Kiraly has nearly 10 years of technical proficiency, providing solutions in the challenging applications of lighting, optics and filtering. A highly respected industry professional and an experienced and trilingual trainer, she has shared her insights into optical filtering with audiences throughout the world. When not focused on optics, Kiraly can be found on the soccer field or out snowboarding.
