Douglas Malchow
Industrial Business
Development Manager
UTC Aerospace Systems

330 Carter Road, Suite 1
Princeton, New Jersey USA
Telephone: +1 (609) 333-8249
Email: doug.malchow@utas.utc.com

Doug Malchow has been supporting imaging applications in the short wave infrared for 10 years as part of Sensors Unlimited Inc., which is now wholly owned by United Technologies Aerospace Systems after the UTC merger with Goodrich Corporation. Prior experience includes detectors and scientific instrumentation for high-speed communications, visible and NIR spectroscopy, CCD cameras and signal recovery. Doug has a B.S. degree in Marketing from Rider University.
